

## Health & safety measures hotels

**To ensure you and the other guests of the hotel can enjoy their holiday to the fullest, keep the following regulations:**

1. You will find multiple disinfection points in and around the hotel. You can use them as much as you want.
2. Keep 2 meter distance from other guest and the employees of the hotel.
3. Please respect and comply with the health and safety measures of the hotel.
4. The hotel may have closed some facilities (slides, buffets, spa & wellness, bars) as a precaution due to safety risks. Safety first!
5. The Sunweb guide is not allowed to enter the hotel because of the rules of the local authorities.  
Don't worry, we are here for you 24/7. You can reach the guide via the digital tools.

We wish you a pleasant stay in this accommodation that is following the Sunweb Health & Safety regulations and that adheres to the international standard of Cristal Intertek.

Kind regards,  
Sunweb Group
